59th Annual Convention

FEBRUARY 7–9, 2019
Donald E. Stephens Convention Center
Rosemont, Illinois

ishail.org
We’d like to invite you to the Donald E. Stephens Convention Center for the 59th Annual Illinois Speech-Language-Hearing Association (ISHA) Convention being held February 7-9, 2019.

This convention will provide you with high-quality continuing education as well as the opportunity to interact with some of the best speech-language pathologists and audiologists in the state of Illinois. The program co-chairs and track chairs have worked tirelessly to secure presenters in the areas you requested as important needs in your professional development.

We will continue with the model of a paperless convention. Check www.ishail.org frequently as posting of the handouts will begin in January 2019. Please be sure to download these documents before the convention. Continuing Education Units (CEUs) will again be available through onsite kiosks and online until March 9, 2019. Please remember to bring your IEIN number to the ISHA Convention if you need continuing education for Illinois State Board of Education licensure.

In addition to formal presentations, student researchers will be presenting their projects through our SIRCA sessions. Show your support and try to attend at least one SIRCA session during convention. The College Bowl is an exciting two hours for which you can also earn CEUs and test your own knowledge in speech-language pathology and audiology.

Reconnect with former classmates and colleagues as well as network with new professionals during social events such as the Welcome Reception (new for 2019), Association Cocktail Party, Honorees’ Reception, and Association Breakfast (formerly luncheon). Consider attending an ISHA committee meeting and get involved in the work of YOUR association!

The goal of the 2019 ISHA Convention is to not only provide access to the knowledge and skills you need to support your own evidenced-based practice, but also to foster and develop professional relationships while creating a network of professional colleagues across the state of Illinois. On behalf of the ISHA Program Committee, we hope to see you in February!

Shari Berger & Nichole Mulvey  
2019 Program Co-Chairs

Beth A. Leggitt  
2019 ISHA Convention Coordinator

Don’t Miss our Keynote Speaker

Kyle Schulze  
Deaf Ninja Warrior

I want to use my Ninja experience to help motivate others and to inspire people how to focus their energy to be the best they can be.
