EXHIBITOR RULES & REGULATIONS

PERMISSIBLE EXHIBITS / BOOTH ACTIVITY – The Association reserves the sole and absolute right to determine which firms and products are appropriate in its judgment for inclusion in the Exhibition and to refuse, cancel, or restrict any applicant, Exhibitor, or exhibit that the Association considers undesirable for any reason. All business activities of the Exhibitor at the Exhibition must be within the Exhibitor’s allotted exhibit space. The use of propane, butane, or other combustible bottled gas is prohibited. Helium balloons are allowed in the exhibit hall, but please note union labor procedures to be referenced in the exhibitor kit.

SPACE RELOCATION – All or any part of the space herein above designated is subject to reassignment and rearrangement by the Association for the purpose of consolidation or for any reason.

SUBLETTING OF SPACE – No Exhibitor shall, without the written consent of the Association, assign, sublet or apportion the space assigned to any other Exhibitor or person, except a parent, subsidiary or affiliated corporation or business.

LIABILITY / USE OF PROPERTY – The Exhibitor agrees that neither the Association, the Donald E. Stephens Convention Center, the city of Rosemont, Illinois nor any of their officers, directors, members, agents, and employees shall be held liable for any damage, loss, harm, or injury to person or property of the Exhibitor or any of its officers, directors, agents, or employees resulting from theft, fire, water, accident, or any other cause.

Exhibitor will assume all costs arising from the use of patented, trademarked, franchised or copyrighted music, materials, devices, processes, or dramatic rights used on or incorporated in the Exhibitor’s space.

The Exhibitor shall indemnify, defend, and hold harmless the Association, the Association’s management firm or agents, the Donald E. Stephens Convention Center, the city of Rosemont, Illinois and their officers, directors, members, agents, and employees from and against any and all claims, demands, suits, liability, damages, losses, costs, attorney’s fees, and expenses of whatever kind or nature, which might result from or arise out of any action or failure to act, or material usage on the part of the Exhibitor or any of its officers, directors, agents, or employees resulting from theft, fire, water, accident, or any other cause.

INSURANCE – All Exhibitor property is to remain under its custody and control in transit to/from or within the confines of the Exhibition Hall. Exhibitors shall carry their own insurance to cover exhibit material against damage and loss, and public liability insurance against injury to the person and property of others. Certificates of Insurance from the Exhibitor shall be furnished if requested by the Association. The Association shall not be obligated to carry any insurance for the benefit of the Exhibitor.

EXHIBITION CANCELLATION – If the Exhibition Hall is destroyed by fire or the elements or by any cause or if circumstances, in the opinion of the Association make the holding of the Exhibition impractical, the Association may, in its sole discretion, cancel the Exhibition. The Association is released from any and all claims for damages that may arise in consequence thereof.

BOOTH CONSTRUCTION AND ARRANGEMENT – All exhibits must be confined to the spatial limits of their respective booths on the floor plan. Exhibits shall be designed and installed so they will, in no case, project beyond the space allotted. Exhibits shall not obstruct the light, view, or space of others. Exhibitor shall be responsible for damage to property. No portion of the booth or its related parts, contents, or signage may be suspended from the ceiling of the exhibit hall or affixed to walls or pillars of the exhibit hall.

Perimeter Booth Construction – Back wall of booth is 14 feet high, side wall dividers are 3 feet high.

Materials placed more than 5 feet from the back wall may be no higher than 4 feet from the floor if it is part of the construction of the booth. This does not apply to free-standing pieces of equipment in the exhibit.

Island Booth Construction – Freeform island exhibits may extend to all outer edges of the space but the design of the booth must allow for a 50% see-through factor on each side. Maximum height of islands is 20 feet. Island exhibits must be designed to be accessible from all four sides. Cubic content of island booths must be approved by the Association.

CARE OF EXHIBIT SPACE – The Exhibitor must, at its own expense, maintain and keep in good order the exhibit space contracted.

INDEPENDENT CONTRACTORS – Independent contractors must confirm to IAEM and EDPA guidelines. All independent contractors must submit a Certificate of Insurance to the Association no later than November 30, 2019. All exhibit labor must comply with established labor jurisdictions.

SERVICES – Each Exhibitor, as part of the contract with the Association, will be provided the following services free of additional charge: erection of necessary flame-proofed draped backgrounds of uniform style, an identification sign, aisle carpeting, general hall cleaning, and general hall guard services.
In addition to all other payments provided in this contract, Exhibitor agrees to pay for the following services at rates approved by the Association: handling of incoming or outgoing freight; labor and material to assist in erection, dismantling, and maintenance of exhibit; electrical service including outlets; cleaning services; telephone service; furniture/accessories; and services for water, drains, gas, air, and steam.

VIOLATIONS – In the event of a violation, the Association has the right, without written notice, to terminate its contract with the Exhibitor and to evict the Exhibitor at the Exhibitor’s own risk and expense. The Association reserves the right to reject, cancel, remove, or restrict Exhibitors who interfere with the best interests of the Exhibition as a whole; in which case its liability shall be limited to a pro-rate refund of the rental fee.

ORDER TAKING/SALES – Exhibitors are allowed to accept credit card, check, or purchase order payment for their product and may distribute said product onsite. Exhibitor will be responsible for any state or local taxes that are required. The Association is not responsible, nor will provide additional security or storage space for exhibitors over and above the Exhibition’s general requirements.

PROHIBITIONS – No Exhibitor’s promotional device may obstruct badges in any way. Adhesive-backed (stick-on) decals or similar items are not permitted. Prize awards, drawings, or contents will be permitted only after the Association has given written approval. Exhibitors must inform the Association in writing by December 2nd of their intent to hold any of the above and provide a detailed description of what is taking place and being awarded. Exhibitor must demonstrate they complied with all federal, state, and local laws concerning such promotions.

CANVASSING AND OTHER ACTIVITIES – No person, firm, or organization not having contracted with the Association for the occupancy of space in the Exhibition will be permitted to display or demonstrate its products, processes or services, or distribute promotional materials in or on the premises of the Exhibition Hall or the Donald E. Stephens Convention Center. Any infringement of this rule will result in the removal of the offending person, firm, or organization.

SPECIAL SOUND AND VISUAL EFFECTS – Audiovisual and other sound and attention-getting devices and effects will be permitted only in those locations and in such intensity as, in the opinion of the Association, do not interfere with the activities of neighboring Exhibitors.

EXHIBIT ATTENDEES – The Exhibition is open to any person registered for the Annual Convention. Children under 18 years of age must be accompanied by an adult and wear a badge at all times. The Association reserves the right to refuse admittance to and eject from the Exhibition Hall or from any space therein, any person or persons engaged in objectionable or undesirable behavior, and on the exercise of this authority, the Exhibitor for itself, its officers, directors, employees, and agents hereby waives any right and all claim for damages against the Association, its officers, directors, members, agents, and employees.

GENERAL – These Rules and Regulations are to be construed as a part of the agreement between the Exhibitor and the Association. The Association reserves the right to interpret all matters and questions not covered by these Rules and Regulations. These Rules and Regulations may be amended at any time by the Association and all amendments shall be equally binding on all parties affected by them as the original Rules and Regulations. In the event of any amendments or additions to these Rules and Regulations, written notice will be given by the Association to those Exhibitors affected by them.
